## **(SEMI-) QUALIFIED PATENT ATTORNEY – GEVERS PATENTS – ANTWERP/DIEGEM**

### **WHO ARE WE LOOKING FOR?**

A (semi-) qualified Patent Attorney with a degree in mechanics, electronics, ICT, telecommunication or related technical fields.

### **YOUR RESPONSIBILITIES**

You will advise innovating companies and be intensively involved in all aspects of protecting their innovation (intellectual property (IP) strategy, protection, active management, defense, valuation, etc.). You will work in close cooperation with colleagues throughout the GEVERS Group to ensure the best possible services. You will protect the interests of the clients at the Belgian and European Patent Office, as well as at other foreign offices via local associates. In cooperation with lawyers in our network, you will also defend the interests of the clients in proceedings at national and international Courts. As qualified attorney, you will become gradually responsible for cases and clients in your technical field.

### **YOUR PROFILE**

You have a qualification as European patent attorney and/or Belgian patent attorney. You have preferably a PhD in mechanics, electronics, ICT, telecommunication or other related technical domains. Candidates with an engineering degree in one of these technical domains will be considered too. You have a good theoretical knowledge of your technical specialty and you're able to translate your theoretical knowledge into practical projects. You have a basic knowledge of international laws regarding intellectual property and of IP commercialization processes. Your mother tongue is Dutch and you are fluent in English, written and oral; knowledge of German or French is considered as a plus. You are responsible and have an eye for precision. Responsible, with an eye for precision – Eager to learn and flexible – Stress resistant and able to cope with tight deadlines – Motivated with a positive attitude – Able to work independently but also in a team – Commercial attitude and willing to develop business.

### **WHAT DO WE OFFER?**

Interesting and varied work within a dynamic team that works closely together – You will be able to develop yourself in a fascinating and always innovating environment - Continuing professional education by our GEVERS Academy - Full-time contract for an indefinite period – Attractive pay package supplemented by non-statutory benefits (company car, meal vouchers, group and hospital insurance, eco-cheques) – Flexible working hours – Opportunity to grow within the GEVERS Group – Working in Antwerp (Berchem) and Diegem near the train station.
