

Adding value to your innovation

European Experts in Intellectual Property
Patents, Trademarks, Designs, Copyrights and Domain Names

More than 100 years of passion for trademarks and patents. A continuous stream of innovation in client service design and delivery. A constant quest for cutting-edge intellectual and organizational excellence. A recognition as a market leader, well beyond our frontiers. A diversified premier team in Belgium, France, and Switzerland. And a great team to work with, contributing to the protection of tomorrow's innovation.

TRAINEE PATENT ATTORNEY (Diegem)

With a degree in mechanics or electronics or physics or related technical fields

YOUR JOB AT GEVERS

You will advise innovating companies and you will be intensively involved in all important aspects of the protection of their innovation through patents. You will advise you clients in the best possible ways as to all aspects of innovation: strategy, protection, active management, defense and valuation. You will protect the interests of the clients with the Belgian Patent Office, with the European Patent Office and with other foreign offices. You may also defend the interests of the clients in national and international Courts, together with lawyers. You have the final responsibility in the patent cases that you deal with. Dropping out is not part of your, of our vocabulary...

YOU

- University degree or equivalent with a degree in mechanics, electronics or physics or related technical fields
- Accute attention to detail
- Proven track record of working to tigh deadlines and achieving them
- Knowledge and experience in IP is a plus
- Excellent written and oral communication skills, Fluent in Dutch, French and English.
